

AAVDI 2019 Conference Information

Dear Colleague,

*On behalf of the Australasian Association of Veterinary Diagnostic Imaging (AAVDI) we take great pleasure in inviting you to attend our 2019 Annual Conference, to be held on **Monday and Tuesday the 13th and 14th of May, at Mandoon Estate in Caversham, Western Australia.***

Mandoon Estate is one of Western Australia's most awarded boutique wineries and is situated in the beautiful Swan Valley. The Estate offers luxury accommodation and contemporary fine dining. Mandoon Estate is situated 15 minutes from the domestic airport. <https://mandoonestate.com.au/>

This will be a 'destination' meeting with content primarily intended for radiologists and diagnostic imaging trainees and residents. Registrations are also open to specialists and general practitioners with expertise and a strong interest in diagnostic imaging.

This conference will provide a great opportunity for professional collegiality, networking and fun. **Dr David Reese** will feature as our keynote speaker and will present some of his interesting experiences with wildlife and zoo imaging. We are also excited to announce **Dr Jennifer Kinns** will be joining us from Scotland, as a representative of our Gold sponsor, *IDEXX Telemedicine Consultants*. Dr Kinns is exam director for the European College of Veterinary Diagnostic Imaging and will be delivering a case-based exam preparation lecture for attending residents.

This annual AAVDI conference program will feature short case and research presentations from our local specialist community as a way of sharing current research and interesting case material.

All attending radiologists and trainees are encouraged to make a short presentation.

An award will be presented for the best resident presentation.

Other important information;

Formal registration will be available on the AAVDI website starting the 11th of February, 2019

A VIP Underground tour and wine tasting experience will be available on Sunday afternoon at the venue, starting at 3 pm. The experience can only cater for up to 12 people so please register early if you are interested.

There is the option of a river cruise between Perth and Mandoon Estate.

Accommodation is available at Mandoon Estate and is currently on hold at the venue. Please make your booking for accommodation as soon as possible.

A conference dinner (included in the registration fee) will be held Monday night.

Tuesday sessions will conclude by 2 pm to allow travellers to return to the airport.

Please email me directly if you would like to make a presentation and include your proposed presentation title. sarah@online-vets.com

I will update you with information about the talks and topics scheduled as I receive them.

AAVDI would like to sincerely thank our Gold Sponsor IDEXX Telemedicine Consultants for their generous support for this upcoming event.
