

AAVDI Save The Date – 19th to the 21th of September, 2021

AAVDI is excited to announce it will hold its 2021 Annual Conference from Sunday the 19th to Tuesday the 21th of September, at **Mount Lofty House in the Adelaide Hills**.

Sunday will be a 1-day *General Practitioner Imaging Education Day*, convened and programmed by Drs Xander Huizing and Kathleen Chow. Topics will be announced at a later date.

Monday and Tuesday sessions will be programmed for Radiologists, Diagnostic Imaging trainees/residents and any interested general practitioners, providing a great opportunity for some professional collegiality, networking and fun. A keynote will be included in the program.

There will be a conference dinner on Monday night and we will plan another social activity around the wineries.

The specialist education days will be similar in format to our recent Perth (2019) meeting with short presentations of interesting cases with pathologic and/or surgical correlations or research material. **All our specialist/resident attendees are encouraged to make a presentation.**

As previously, an award will be presented for the best resident presentation.

Mount Lofty House is a luxury retreat destination located in the beautiful Adelaide Hills. The estate is located 30 mins from the Adelaide airport and 20 mins from downtown Adelaide. We have selected a boutique location to celebrate our first conference post COVID.

Tuesday sessions will conclude by 12 pm to allow travellers to return to the airport. Tuesday lunch will be included in the conference registration.

Please RSVP to this informal invitation with your intent to attend or not. Please also indicate if you have any particular preference for conference keynote or GP education topics.

Please also indicate if you would be willing to make a short presentation at the meeting in our specialist program.

I very much look forward to seeing everyone there and having a great meeting.

Sarah Davies
